INDEX TO VOLUME VI

Compiled by
W. E. BICKLEY
University of Richmond, Va.

Subject Index

Abstracts
see Reviews and Abstracts
Aerial spray equipment, 169
Aerosols
against adult mosquitoes, 9, 137
N. J. larvicide, 137
Agriculture
U. S. Dept. and repellents, 157
Airplane application of DDT against adult mosquitoes, 20
Alaska
mosquitoes at Nome, 131
Anopheles albimanus
aerosols for control of adults, 10
in Dominican Republic, 90
in Managua, Nicaragua, 96
possible endemicity in Florida, 183
Anopheles atropos
in Jamaica, 193
Anopheles bradleyi
identification of larvae, 125
Anopheles farauti
and DDT treated bed nets, 25
in New Guinea, 89
Anopheles freeborni
habits in Utah and Idaho, 73
Anopheles occidentalis
in Vermont, 32
Anopheles pseudopunctipennis
control by DDT in Mexico, 38
Anopheles quadrimaculatus
aerial spraying against adults, 20
and DDT treated bed nets, 25
marking with fluorescent dyes, 122
in Vermont, 32
Anopheles walkeri
in Vermont, 32
Anophelinae in Moengo, Surinam, 113
Association news, 34, 99, 132, 154, 195

Bed nets, DDT treated, 25
Bibliography
see Literature
Bug bites, 186

Caribbean area
mosquito and malaria control in, 177
Chemical mosquito control, 132
Culex pipiens
reared without blood, 71
Culex quinquefasciatus
emulsions for larval control, 17

DDT
aerial spraying, 12, 20, 169
against *Anopheles pseudopunctipennis* in Mexico, 38
against salt-marsh larvae with hand equipment, 14
composition of products, 29
dusts against anopheline larvae, 127
facts and fallacies, 1
fuel-oil emulsions, 17
larvicide influenced by natural waters, 180
in plague control at Casablanca, 130
precautions in use of, 30
and pyrethrum against adult mosquitoes outdoors, 7
residual sprays, 38
and TIFA against polio, 141
toxicity, 1
treated bed nets, 25
Directory
supplier's, 52
District of Columbia mosquito surveys, 76
Dominican Republic
malaria control in, 90

Editorial, 41, 104, 161, 205
Emulsions of DDT and fuel-oil, 17
Equipment for mosquito control
aerial spraying, 169
directory, 52
ground spraying, 140
turbine type sprayer-duster, 118

Filariasis in New Guinea, 189
Florida
Anopheles albimanus in, 183
Anti-Mosquito Association, 136
Megarhinus rutilus in, 193
Psorophora pygmaea in, 185
Fluorescent dyes for marking *Anopheles quadrimaculatus*, 122
Fuel-oil emulsions with DDT, 17

Ground spraying equipment, 140

Idaho
Anopheles freeborni in, 73
Insect-borne diseases
and Marines, 36
in U. S. Army, 214
Insects killed by aerial spraying in Panama, 12

Jamaica
Anopheles atropos in, 193

Literature for mosquito control workers, 47, 107, 165, 215
Malaria control
in Caribbean area, 177
in Dominican Republic, 90
in Managua, Nicaragua, 96
Mansonia spp.
aerosols for control of adults, 10
Marines and insect-borne diseases, 36
Megarhinus rutilus
in Florida, 193
Mosquito control
aerial spraying, 12, 20, 169
in Caribbean area, 177
chemical, 132
ground equipment, 7
hand equipment against salt-marsh larvae, 14
with bigger and better spraying units, 27
Mosquitoes of Nome, Alaska, 131
Mosquitoes of Pennsylvania, 78
Mosquito surveys in D. C., 76

Natural waters
influence on DDT larvicide, 180
New Guinea
Anopheles farauti in, 89
filariasis in, 189
New Jersey, 126
New Jersey larvicide applied as aerosol, 137
Neotropical Anophelinae in Surinam, 113
News and Notes (see also Reviews and Abstracts), 39–40, 102–103, 158–160, 202–204
Nicaragua, Managua
malaria control in, 96

Pennsylvania
list of mosquitoes, 78
Pictures for educational purposes, 31
Power sprayers, 27
Psorophora pygmaea
in Florida, 185
Psorophora spp.
aerial spraying against adults, 20
Psorophora varipes
larval habitat, 120

Rearing of *Culex pipiens*, 71
References
see Literature
Repellents, 157, 186
Reviews and abstracts (see also News and Notes), 42–46, 105–106, 162–164, 207–214
Aberle's PRIMATE MALARIA, 42
Aedes aegypti in Houston, Texas, 211
Aedes lepidus, vector of *Plasmodium gallinaceum*, 210
Alameda County (Calif.) 1945 Report, 42
Anopheles gambiae and DDT residues, 209
Anopheles fluviatilis, rearing, 46
Anopheles pseudopunctipennis, 163
Barber's MALARIOLOGIST IN MANY LANDS, 207
Benzene hexachloride, 164
Bibliography on fish in mosquito control, 213
Bromeliad malaria in Trinidad, 162
California Public Health Bulletin, MOSQUITO CONTROL, 44
Carpenter et al., MOSQUITOES OF THE SOUTHERN U. S., 162
DDT aerosols against anophelines, 44
DDT against rice-field mosquitoes, 43
DDT vs. pyrethrum for house spraying in India, 45
Fixation and staining of internal organs of Culicidae, 212
Hochberg-LaMer generator, 44
Levi-Castillo's ANOPHELINES OF ECUADOR, 43, 105
Life cycle of the mosquito (film), 105
Malaria in war, 212
Malaria control in a non-endemic area, 163
Malaria control in the northeastern states, 163
Malaria Control in War Areas, Field Bulletin, 163
Mosquito vectors of *Wuchereria bancrofti*, 45
Mosquitoes of Japan, 210
Plasmodium gallinaceum transmitted by *Aedes lepidus*, 210
Repellents and miticides, 163
Russell's LESSONS IN MALARIOLOGY FROM WORLD WAR II, 105
Standard Oil DDT manual, 42
West and Campbell's DDT, THE SYNTHETIC INSECTICIDE, 213

Salt-marsh mosquitoes
DDT against larvae with hand equipment, 14
outdoor control of adults, 7
weed-killers against salt-marsh plants, 181
Supplies and equipment
directory, 52
Surinam
Anophelinae in, 113
mosquito and malaria control, 177

TIFA, DDT, and polio, 141

Utah
Anopheles freeborni in, 73

Vermont
occurrence of *Anopheles* in, 32

Weed-killers and salt-marsh mosquito control, 181
Wire screening
effectiveness of, 85
